

Safe and Caring Code of Conduct

Sustaining a Safe and Caring Learning Environment in Greater St. Albert Catholic Schools

Rationale:

Section 33 (1d) and 33 (2) stipulates the Board's responsibility to ensure that each student and staff member within a school are provided a welcoming, caring, respectful and safe learning environment that respects diversity and fosters a sense of belonging. Section 33 (3b) indicates that a Code of Conduct is to be annually reviewed at each school to assure that safe and caring needs are addressed throughout the Division. With recent changes to the Alberta Human Rights Code, which determines that harassment could be interpreted to be a form of discrimination, changes to our Safe and Caring Learning environments was changed in June, 2018. This means that the preamble to your locally developed codes of conduct, and the conduct expectations that you establish will need to change to reflect the expectations of the Alberta Human Rights Act, the Education Act, and other related division administrative procedures.

In school handbooks, schools will be expected to articulate procedures for addressing bullying and harassment within a Code of Conduct that addresses definitions 2.1 – 7 and guidelines 1 – 2.1 of Administrative Procedure 359: Safe and Caring Learning Environments.

All of these important considerations are addressed when your school incorporates the following text within your student handbook, whether it is online or paper format. The following text indicates everything that should be stated within your local code of conduct. Note that most of the following text will be common to all schools although there is a portion of text (see yellow highlighted instructions) where you would insert your own unique code of conduct expectations. Please follow the instructions provided.
