LEARNING ONLINE IN REAL TIME (K-12)

Greater St. Albert
Catholic Schools

STUDENT PARTICIPATION IN ONLINE BROADCASTING OF LEARNING IN REAL TIME

Greater St. Albert Catholic Schools is implementing a number of different pathways to support student learning during our response to the Covid-19 pandemic. One of these pathways is Synchronous Online Learning whereby the classroom teacher, through the use of technology, will teach both students in the classroom and students at home in real time.

When an online broadcast of the classroom teacher occurs during a class, a web camera and wireless microphone may be used to capture the image and voice of the classroom teacher. This process will be controlled at all times by the classroom teacher and although it will be primarily directed towards the classroom teacher, from time to time the live broadcast may capture your child's name, image and/or voice.

The class will be broadcast online via Google Meets to those students who have been invited by the classroom teacher to participate and are watching the class from home. In order to participate in Synchronous Online Learning, all students and their parents will be required to agree to refrain from any recording of the online broadcast of learning through any means, to refrain from sharing the link provided to the student by the teacher of the online broadcast of learning, and that the online broadcast of learning will not be used for any other purpose other than for the learning of the student.

It is our intention that the online broadcast of learning will only capture the classroom teacher while they are engaged in instructing the class (for example – giving a lecture, explaining a new skill). The participation of students by asking or answering questions is also a critical part of the learning process and will continue to be encouraged by classroom teachers. We intend that these interactions will be captured during online broadcast of learning. However, if the teacher is required to engage in discipline or a personal conversation with a student, all reasonable efforts will be made to stop the online broadcast. As the classroom will be broadcast live, the footage will not be modified in any way before being broadcast.

Despite taking the above steps to ensure that the online broadcast is only accessed by individuals who are authorized to do so, and that the video is not recorded, the nature of technology means we cannot guarantee that it will not be recorded by some other means, or that it will not be accessed by unauthorized individuals over whom we have no control.

THE FOLLOWING IS TO BE COMPLETED ONLY BY PARENTS/LEGAL GUARDIANS OF STUDENTS PARTICIPATING IN SYNCHRONOUS ONLINE LEARNING FROM HOME OR BY THE INDEPENDENT STUDENTS AS DEFINED IN THE *EDUCATION ACT*:

I acknowledge and agree that:

- will refrain from recording the online broadcast of learning or any recording thereof provided to my child through any means; and,
- the online broadcast of learning will not be used for any other purpose other than for the learning of my child.
